

Aspire Ninja Carbon Walker

The Aspire Ninja is a lightweight seat walker designed for everyday use. Made from carbon fibre, it's easy to lift in and out of a car and has large front wheels for greater mobility outdoors.

- **Great Outdoors:** The large 10" wheels provide stability and smooth movement across a variety of terrains.
- **Adjustable Handles:** Allows for personalised positioning, helping to maintain proper posture.
- **Soft-Touch Brakes:** Lock the rear wheels to enhance safety and stability during use.
- **Utility Bag:** Holds up to 5kg, offering convenient storage for personal items.
- **Ergonomic Handles:** These offer a comfortable grip during extended use. The flat-top design provides a stable resting place for arms while seated.
- **Compact Design:** Improves turning, offering smoother navigation in tight spaces.
