Client Project Showcase

At FHG, we work closely with clients to design and deliver custom furniture solutions for commercial spaces, including aged care, retirement living, hotels, and offices.

Boondall Retirement Village Foyer Furniture

We collaborated with an interior designer to transform this retirement village foyer into a sophisticated and welcoming space, combining the elegance of a high-end hotel with the comfort and functionality suited to residents. Featuring over 20 custom furniture pieces crafted by FHG and upholstered in bespoke Australian fabrics, the project highlights our dedication to creating tailored solutions that enhance style and practicality.

Manly West Retirement Living Furniture

We partnered with a Manly West Retirement Living Village to transform their community centre, crafting over 200 pieces of fit-for-purpose furniture designed to enhance comfort, safety and social interaction. Inspired by the nearby waterfront, the refurbished space combines modern design with functionality, creating a vibrant hub where residents can connect and relax in style.

North Brisbane Aged Care Furniture Fitout

We collaborated with an aged care community in North Brisbane to provide over 500 custom furniture pieces for their newly developed Stage 2 community spaces. Designed to balance elegance, functionality, and safety, the fit-out featured thoughtful touches like wayfinding colour palettes, dementia-friendly furniture, and durable, hygienic fabrics to enhance residents' comfort, independence, and well-being.
